You may be told that the Axa cover is not valid - this is not the case so there is no need to purchase any additional insurance cover offered at the rental desk. Fuel: Pick up and return full.

Your vehicle will be supplied with a full tank of fuel. To avoid incurring fuel charges, you will need to return it with the same amount of fuel as it had when you collected it. You may be required to leave a fuel deposit reserved or charged on your credit card, this will be released or refunded when you return the car full. Missing fuel will be charged on your return. The price per litre charged by the rental agent may be significantly higher than the price at the local service station. A refuelling charge may also be applicable.

Young driver's age: 21 to 24 years. Charge 35 USD per day. (Excludes tax)

Cancellation and no-show policy

What is your cancellation policy for fully prepaid or part-paid bookings?

1 - If you cancel 24 hours prior to your pick-up, you will be refunded in full.

2 - If you cancel less than 24 hours in advance of pick-up, you will receive a refund minus EUR50. If your online payment is less than EUR50, no refund will be made for your car hire booking.

3 - If your booking is made less than 24 hours before pick up, the cancellation policy will automatically apply to your booking.

4 - All cancellations should be made on our online portal and not with the car hire agent. Should you agree to cancel directly with the car hire agent on arrival, you must also inform us of this change to your booking.

5 - Amending your booking or cancelling optional extras may not be possible less than 24 hours before pick up.

If you purchased our Damage Refund Insurance product and have since decided to cancel your car rental booking,

the Damage Refund Insurance will be cancelled automatically.

If you wish to amend or rearrange your booking, the Damage Refund Insurance will initially be cancelled. We will, however, automatically create a new policy for your new booking.

In both cases you will receive an email to confirm the cancellation at the email address you have provided during the online booking process.

Please be aware that if you cancel your insurance policy less than 24 hours before the start of your car hire agreement, no refund for insurance will be granted.

What is a no-show?

A 'no-show' occurs for the following reasons:

- 1 - You didn't inform us about your cancellation prior to your pick-up time.
- 2 - You failed to pick up the car at the arranged time and date.
- 3 - You failed to provide the documentation that's required to pick up the car.
- 4 - You failed to provide a credit card in the main driver's name with enough available funds on it.

In the event of any of the above, no refunds will be made to you.

The car hire company reserves the right to refuse a car if you fail to arrive on time with all necessary documentation and a credit card with enough available funds for the car's security deposit. In such a case, unless the car hire has been cancelled at least 24 hours in advance, you will not be entitled to a refund.
